Golf Tournament**

**Sponsor Letter**

Dear Community Partner,

On Saturday, May 17, 2014 the Thirteenth Annual “Fight from the Fairway” Golf Tournament will be held at Honeybrook Golf Course, Honey Brook, PA. Over the last 12 years, the tournament has raised over \$360,000 for breast cancer research and awareness.

This tournament began when a group of employees from Weston Solutions, Inc. rallied around a co-worker, Karen Schneider, who had been diagnosed with breast cancer. Karen lost her battle in April 2008 and it is our hope that this tournament will raise the needed funds to find a cure for this disease. This year’s tournament is dedicated to her memory and others who have lost their battle with the disease.

The tournament will again support the Lankenau Institute for Medical Research (LIMR), a local leader in cancer research and breastcancer.org, a nonprofit organization dedicated to providing the most reliable, complete, and up-to-date information about breast cancer treatment and prevention. Both are 501(c)(3) non-profit organizations. Our goal this year is to exceed \$20,000 in donations.

You and your business can participate in many different ways:

- Donate merchandise for the golfers’ goodie bags and/or raffle;
- Donate food and/or beverages for the golfers;
- Provide prize items for our awards and contests;
